Dear OM,

Many thanks for the contact during the 1978 Sweepstakes Contest. This was our first effort as a club which proved to be a very gratifying experience. Our main goal was to work all 50 states and get a WAS award for our club. Now, we need your QSL and 49 others to achieve the WAS from the Sweepstakes Contest. Please help us by sending us your QSL via the SASE that we have enclosed.

Thanks for your anticipated reply, and please look for us again.
